

BEFORE CHRISTMAS SALE

We're Going to Have a Sale A Great Housecleaning Sale

To move an immense accumulation of short lengths, odd sizes and broken lots of real choice, desirable merchandise in every department. If it were possible to sell out clean the thousand-and-one materials, trimmings and other things that make up our stock, there would be no excuse for this sale. But remnants accumulate, single articles and sizes stay with us. This is one of the largest sales we have during the whole year to clean up these stocks and get ready for Christmas business. We simply say to our friends who know a real bargain when they see one: "COME AND BE PREPARED TO BUY." There is going to be "lots of fun" here during the next two weeks.
